MEMORANDUM FOR: Mr. Warner

John:

Hal Brownman brought up his talk with you about putting the Alien Affairs office in OGC. I made some protest, although I agreed that the Office of Security was not the right place for it. I suggested the Office of Personnel, or the Defector Coordinator, or DCS now that it is in DDO. Hal felt the Defector Coordinator or DCS were possibilities but that he did not have sufficient familiarity with the subject matter to make a decision at this time. I reluctantly agreed that so far as I was concerned and subject to your concurrence we would take the function on for the purpose of determining the current size and nature of the subject matter in order to make recommendations as to how it should eventually be handled.
